Nipper Electric offers a preventative electrical maintenance program that allows us to keep your family's home safe by checking its mechanical components, the performance conditions, and safety factors of your electrical system. First and foremost, we analyze all aspects are functioning the way they are supposed to; We will assess your utilities (we'll need your most recent bill) and verify you're not overpaying, let the professionals at Nipper Electric Take Charge™ of your home's electrical safety and savings. This starts with "Our Electrical Safety Inspection Report - The Complete 115 Point Checklist", Priority Scheduling, and 10% savings on all parts, products, electrical repairs or services. The savings alone can more than pay for your annual service, but it doesn't stop there. ANY immediate family members in our service area are eligible to receive the same 10% discount benefits as the membership's owner. Each consecutive year you remain a Take Charge™ Club Member, receive \$50 OFF our copper bus bar circuit breaker box solution. This way not only are you saving money on the electrical repair and services you need today, but start planning ahead for tomorrow, with extra circuit breaker box savings. Last but not least, we will provide a LIFETIME WARRANTY on all of our "Recommended" repairs and installations, as long as you are an active Take Charge™ Club Member.
